FINANCIAL MARKETS HEADLINES

| MOROCCO | JET CONTRACTORS | Signing with Suez an agreement for waste treatment

In a press release, SUEZ and its partners SOMAGEC and Jet Contractors announce the entry into force of the contract with the Etablissement de Coopération Intercommunale AL ASSIMA for the construction and operation of the Oum Azza waste treatment and recovery centre in the Rabat region.

This centre, which receives 850,000 tons of waste per year will become a "green landfill", a waste treatment center that contributes to the circular economy. Less than half of the waste received will be landfilled (47%). The liquid residues (leachate) will be treated in an exemplary manner, in particular to produce biogas.
