## FINANCIAL MARKETS HEADLINES

### | MOROCCO | AMMC | Awareness release

In a context marked by the accelerated democratization of investment in the stock market, AMMC has issued a press release to warn the public and investors against the unauthorized practice of financial investment advisory activities, as well as the growing proliferation of fraudulent trading platforms.

AMMC recalls that these practices, facilitated by social media, expose savers to risks and may undermine the integrity of the Moroccan financial market.

## ECONOMIC HEADLINES

### | GABON | RATING | Fitch Ratings downgrades Gabon's rating

Following its last assessment, the international rating agency Fitch Ratings downgraded Gabon's long term foreign currency Issuer Default Rating (IDR) from "CCC" to "CCC-" and long term local currency IDR from "CCC" to "CC".
