## FINANCIAL MARKETS HEADLINES

### | MOROCCO | ARADEI CAPITAL-LABEL VIE | Launch of a solar installation program

In a press release, Aradei Capital and LabelVie announced the rollout of a strategic solar installation program aimed at strengthening their energy transition. The first phase of this project, currently underway, covers 9 sites, representing approximately 25,000 m<sup>2</sup> of equipped rooftop space and an installed capacity of 5 MWp expected to be operational in 2026. Ultimately, the program will cover nearly 60 assets across the Kingdom, with an estimated total capacity of 20 MWp.

It should be noted that beyond rooftop deployment, the two operators are also exploring complementary solutions such as photovoltaic parking canopies, the integration of energy storage systems and other energy efficiency technologies.
